## News and Notes

In the Grande Pickem game we entered the weekend with four undefeated players and leave the weekend with two undefeated players, Dan and Rik. There are three games left, the pressure is on, can they make it thru unscathed?

The overall title is inching closer. Dan is now trailing Erick by two games, for a tie, three for the title. Looking at the schedule and the likely outcomes, the odds are still in Erick's favor.

BUF wouldn't be in the playoffs if it wasn't for Josh Allen but this game wasn't his finest hour. Josh was responsible for four of the five Bills turnovers. If you are a Bills fan the McMillian INT in OT was questionable. If you are a Broncos fan it was a good call. If the call goes for BUF they kick the game winning FG. But the result of the INT is Bo Nix breaks his ankle on the second to last play and is lost for the remainder of the playoffs. That means Jarrett Stidham will be leading the Broncos for the remainder. Can he pull a Jeff Hostetler and lead them to a Super Bowl victory?

Unfortunately for the 49ers the game against the Seahawks was over after the game opening kick off return for a TD by SEA. That seven points was more than the six the 49ers scored all game.

A snowy late afternoon game in NE and the Patriots defense confused CJ Stroud and limited the Texans to 48 yds rushing. The defense also

contributed a 26 yd pick six. NE QB Drake Maye lost two fumbles and threw one INT.

Caleb Williams almost led another Bear comeback win but an INT in OT led to the Rams game winning FG. I was expecting more offense from this game but the defenses came to play.

As the weekend progressed there were other “questionable” pass receptions/interception calls. Possibly making the McMillian interception on par with the “Tuck Rule”.

Coaching news: The NFL is recycling coaches again.

First up, **NYG** John Harbaugh will be coaching the G-men. And another rehire, **ATL** is giving Kevin Stefanski another shot. **GB** is extending HC Matt LeFleur.

In a surprise move, the Bills fire head coach Sean McDermott after nine seasons. Maybe they should have thought about this after Jan 23, 2022 and the infamous 13 seconds.
